A P O L O G I A

HIS is an "austerity" edition of the CAP AND GOWN. It was conceived and executed in three weeks on a minimum budget. Certain sacrifices were accordingly necessary. Limited time and space prohibit any full list of individuals who were absent when photographs were made.

For such excellencies as may be apparent, thanks are due to the following:

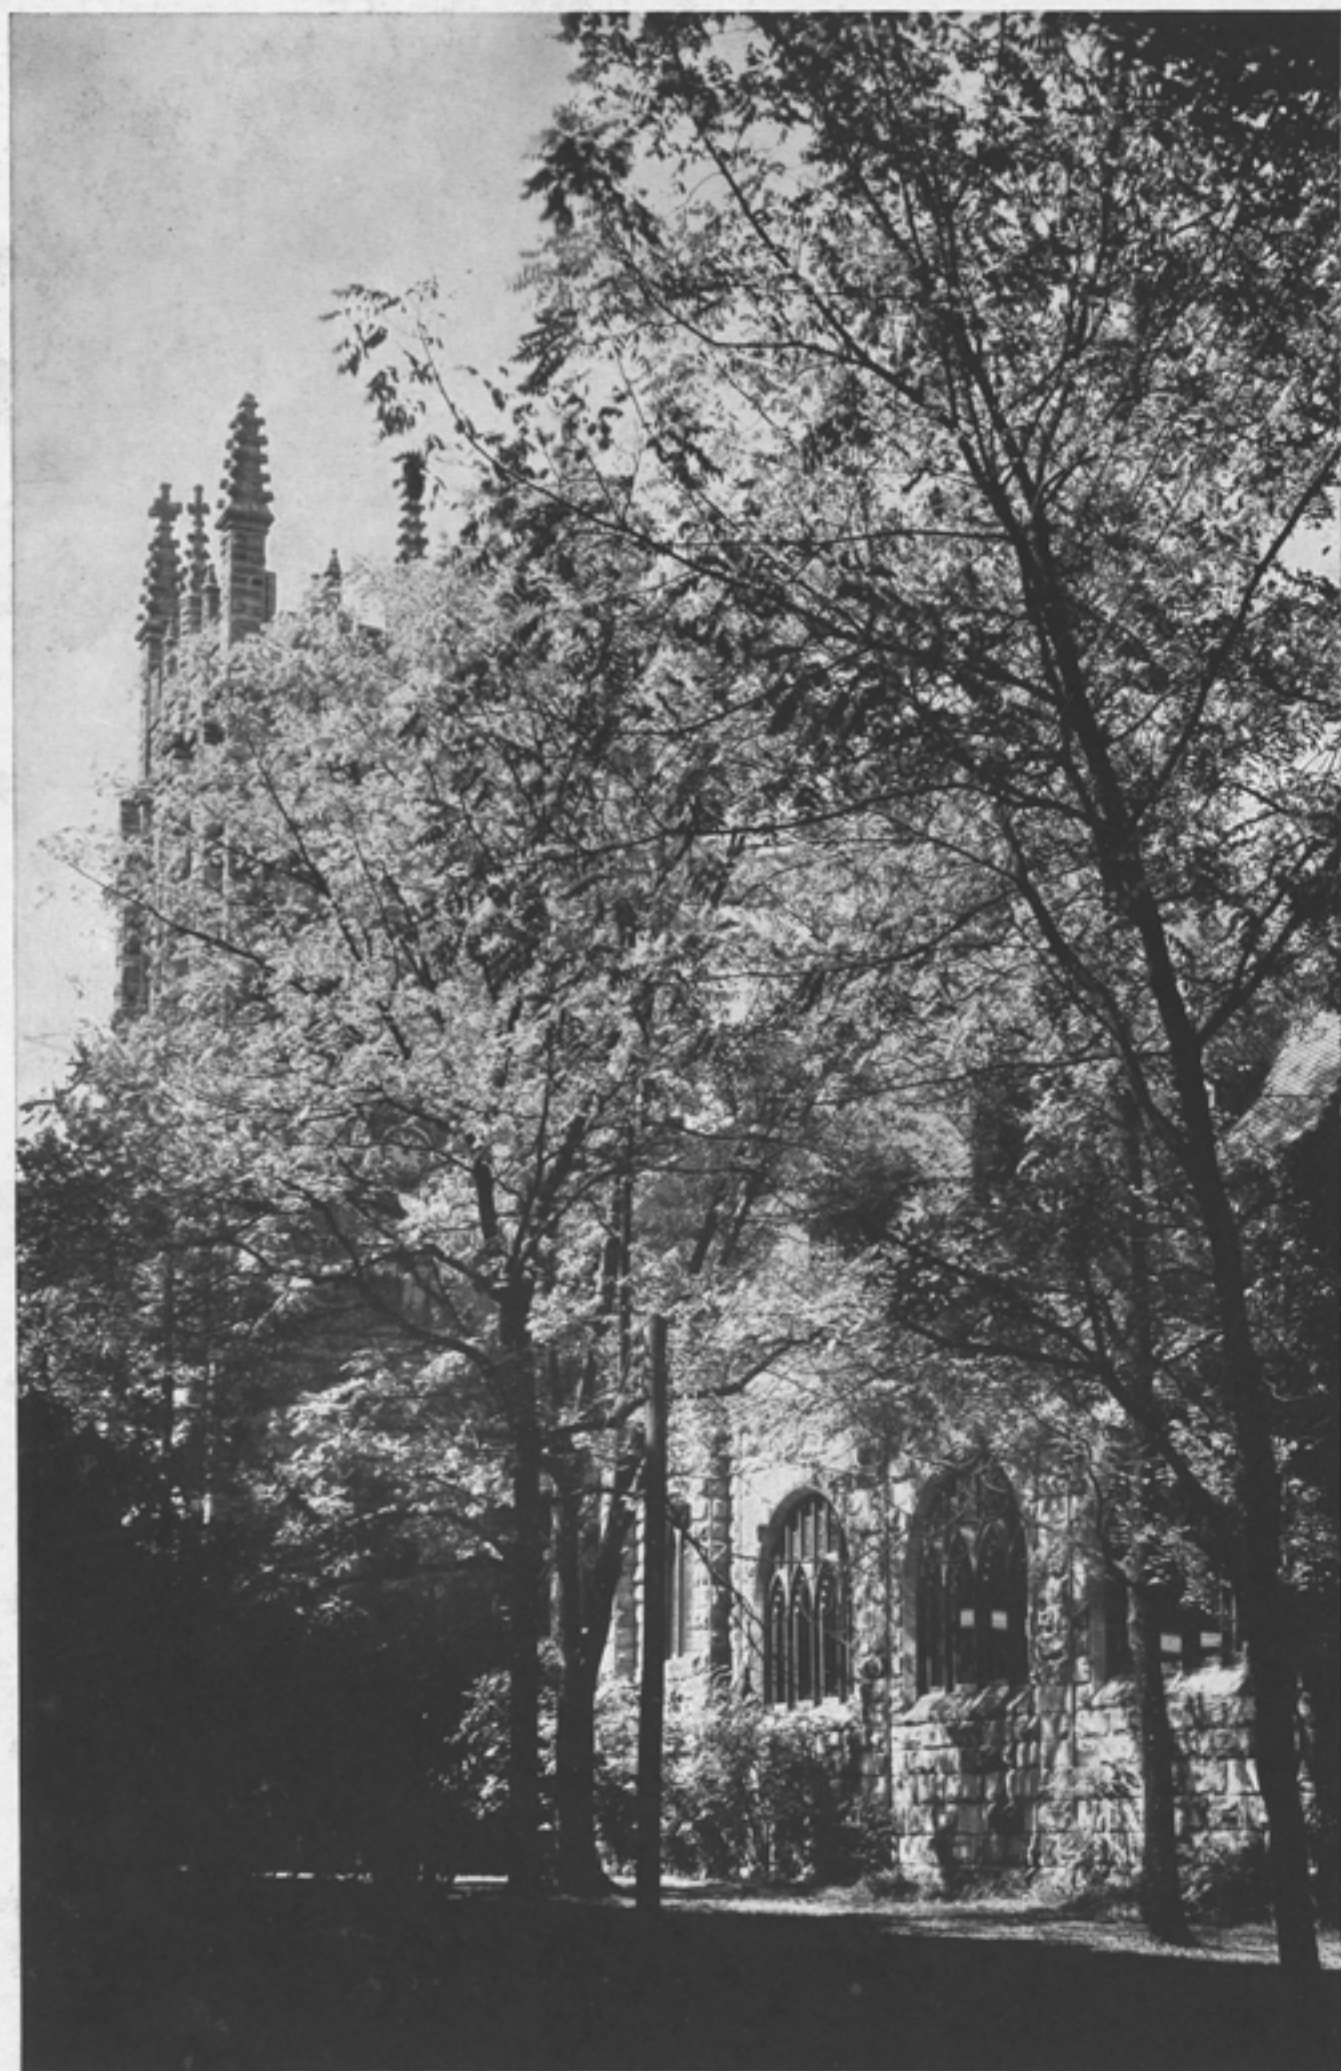

To the Staff of the Alumni Office, for encouragement and cooperation in arrangements for the use of photographic equipment and facilities.

To the photographers, George Gambrill, Greer Edwards and Robert Ratelle, who gave considerable time and effort, and displayed taste and talent in making the photographs.

To the photo leaders whose efforts in selecting backgrounds, posing the pictures and listing the names, greatly facilitated the work of the editors.

To the Staff of the University Press for their patience, kindness, and artistic sense.

To Mr. Robert Smith of the Acme Engraving Company of Chattanooga for an excellent engraving job as well as invaluable technical advice.
